

Hi Dear,

Sorry to invade your privacy, I am Mrs. Rita Mbongo the wife of Mr. Patrick Mbongo, my late husband died since 2000 in a plane crash. You can confirm the genuineness of the incident by visiting this web site: <http://news.bbc.co.uk/1/hi/world/europe/859479.stm>. He was brother to former head of government in one of the countries in Africa which i will reveal to you in a later stage when we have established trust. I left my country for South Africa to seek asylum due to political turmoil in my country, since the son of the former leader took over power. When my late husband was alive he deposited a certain amount of money (in millions) with a security/financial company in South Africa. Presently, this money is still with the security/financial company. I am in a hospital somewhere in South Africa receiving treatment due to my esophageal cancer. Please I am choosing you to assist my family and I invest this money in a lucrative business venture (preferably farming/ property development) in your country. I am willing to offer you a certain share of the money for your honest assistance, this I will detail in my next mail. Please contact me on this private email: (mbongofamily000@gmail.com) if you are honest and willing to assist. Otherwise, regard as junk and delete.

Yours Sincerely.

Mrs. Mbongo
