STRAUSS CAPITAL PARTNERS

CRD: 136093

Strauss Capital Partners financial services has created the optimal investment environment for every level of investors. Our goal is to advocate financial and technological proficiency by being one of the leading freelance platforms and solutions providers in the financial market. Whether you are a beginner to investing or are an advanced investor, you will learn how Strauss Capital Partners investment programs work and how we can helpyou build a successful part of your investment portfolio.

At Strauss Capital Partners, we're passionate about the profession of investment management. We're an independent, 100% active employee-owned firm with no distractions from our sole priority creating strong, risk- adjusted returns for our clients. We're committed to building enduring relationships with our clients and providing expertise and solutions to meet their evolving needs. We work closely with the most sophisticated investors globally across institutional, intermediary channels & individuals. Our investment teams are solely focused on active management & employ disciplined, analytical research processes across a wide range of strategies and financial industries. We try to create a KYC (know your client) situation whereby our client is in direct communication with our employee (portfolio manager).

FAST SUPPORT :- Every of our client is assigned to a portfolio manager and can get a full-fledged consultation and necessary information by contacting your portfolio manager.

4 INVESTMENT PLANS

Strauss Capital Partners investment program manages accounts for those who do not know how to trade or those who do not have time to trade , generating profits with a stable turn over and guaranteed payouts upon request. A managed portfolio can save you time and help you stay invested for the LONGTERM. Managed portfolios offered by Strauss Capital Partners financial services are goal oriented portfolios built on recommendations from the professionals. Listed below are the various investments packages, their profits and investment durations

i OPEN BALANCE PLAN

This pays 5% per week of your initial investment for a total of 52 weeks (12 months) starting from the day of investment. The term "Open Balance" as used here means that the investor stands eligible to withdraw weekly from available balance. The minimum investment for this plan is $1000.

ii LOCKED BALANCE PLAN

This pays 10% per week of your initial investment for a total of 52 weeks (12 months) starting from the day of investment. The term "Locked Balance" as used here means that the investor do not stand eligible to withdraw weekly from available balance but can only with-draw annually from your total available balance on the date of expiry. The minimum investment for this plan is $1000.

iii HALF REINVEST PLAN

This pays 10% of your initial investment for a total of 8 weeks. Here, 50% (from the said 10% weekly) is sent to the client's wallet per week while the other said 50% is reinvested to earn higher returns which is why it is called the "Half Reinvest strategy". It involves a 50/50 split thus helping you to save while you still earn. The minimum investment for this plan is $1000.

iv COMPOUNDING INTEREST PLAN

Here, the client earns 15% of investment weekly but cannot make any withdrawal until after 5 weeks of investment. The term "Compounding Interest" shows that your profits will be compounded until after 5 weeks. The client then proceeds to earn 15% of investment for the remaining 24 weeks. The minimum investment for this plan is $20,000.

v NON-FARM PAYROLL PLAN

Here, the NFP strategy means Non Farm Payroll which uses hedge funds to trade on big markets for MAXIMUM PROFITS. The client gets 100% of investment in 5 weeks. The minimum investment is $50,000.

5 INTIAL DEPOSIT

Every client is to make an initial deposit via cryptocurrency (bitcoin preferably) through your portfolio manager's guideline under their preferred trading service to earn ROI. The minimal initial deposit is $1000 under the Open Balance Plan.

It is important for you to note the due deposit amount; make sure that it is the exact amount of funds deposited for the chosen plan.

You can purchase Bitcoins and other cryptocurrencies on the following websites:

1: www.coinbase.com
2: www.coinmama.com
3: www.localbitcoins.com
4: www.btcdirect.eu
5: www.coinjar.com

Strauss Capital Partners works with Know Your Client (KYC) principle that is why every investor is assigned a portfolio manager who helps in managing a client's portfolio taking him/her step by step through the depositing of funds process. A proof of payment should be sent to the portfolio manager who confirms the payment & set your order up. If there are any changes with the company or the investment, the portfolio manager informs the client in due time.

Investors are to consult the portfolio manager only for a proper financial guideline and knowledge.

- Investors are to make a choice from the investment packages in the previous chapters.

- Payment should be made into the bitcoin wallet provided by the trader.

- Investors should fill the consulting agreement form and should attach his/her identification.

7 WITHDRAWALS

Withdrawals differs according to the investment plan the investor chooses. Withdrawal from your regular service is authorized every week and starts a week after your initial deposit and your portfolio manager would guide you through the process. The withdrawal is done via cryptocurrency as is similar with the deposit after 24 weeks.

On the compounding interest plan, the withdrawal is only done at the end of the investment plan (24th week) with the capital.

8 PORTFOLIO MANAGERS

This is an experienced investment advisor/broker who manages the portfolio of our clients. Strauss Capital Partners believes so much in creating a personal relationship with our clients and our portfolio manager helps us with that. A contract agreement which guarantees the safety of your invesment will be signed by the investor together with the portfolio manager in order to be approved. Every portfolio manager is regulated by:

FINANCIAL INDUSTRY REGULATORY AUTHORITY (FINRA)
https://brokercheck.finra.org/firm/summary/135093

9 CHANGING OF ACCOUNT INFORMATION AND IMPROMPTU WITHDRAWALS

You should always reach out to your portfolio manager anytime with due certificates if you have any urgent need for withdrawal or change in account information. Please Note, until the request is approved by the head office after due investigation the withdrawal will be on hold.

It is important to note that we don't always make profits from all our trades from a specific financial market but due to our good risk management skills, experiences and diversification of funds we always assure 100% guarantee of funds invested by our clients. We also have our clients deposits insured by Federal Deposit Insurance Corporation (FDIC) to secure our clients funds in the event of fatal economic failure.
