

Dear Invitee,

It is our distinct honor to invite you to the **2025 World Sustainable Development Summit (WSDS)** of the United Nations, convened under the auspices of the **Commission for Sustainable Development (CSD)**. This prestigious event will take place from **April 28 – 30, 2025**, from **9:00 a.m. to 1:30 p.m. (in-person)** at the **Queen Elizabeth II Conference Centre, London, United Kingdom**.

Theme:

Reinforcing the 2030 Agenda for Sustainable Development and Eradicating Poverty in Times of Multiple Crises: The Effective Delivery of Sustainable, Resilient, and Innovative Solutions

The summit will conduct an in-depth review of:

- **SDG1**– No Poverty
- **SDG2**–Zero Hunger
- **SDG13**–Climate Action
- **SDG16**–Peace, Justice, and Strong Institutions
- **SDG17**–Partnerships for the Goals

This theme highlights the complex and interconnected challenges of sustainable development and the critical role of **adaptability, innovation, inclusivity, and resilience** in leadership to drive sustainable change.

About the WSDS 2025

The **2025 World Sustainable Development Summit** will bring together a distinguished group of **business and political leaders, policymakers, researchers, industry professionals, administrators, manufacturers, importers and exporters, SDG stakeholders, and representatives from the public and private sectors, NGOs, civil society, and international organizations**. The summit aims to turn the final decade leading up to the **2030 SDG deadline** into a **decisive period of action and implementation**.

Key Topics & Discussions

The 3-day event will feature high-level discussion on:

- **Financial market innovation**
- **Corporate water stewardship**
- **Artificial intelligence (AI) and corporate responsibility for human rights**
- **Global climate goals and corporate investments for climate ambitions**
- **Sustainable supply chains**
- **Sustainable consumption and production**
- **Innovation and transformative solutions for the SDGs**

The summit will encourage organizations to set **ambitious, credible, and measurable targets** aligned with urgent calls to action in **five** key areas where the private sector is uniquely positioned to drive progress:

1. **Living wages**
2. **Climate change**
3. **Water stewardship**
4. **Gender equality**
5. **SDG investments**
